ORIGINAL ARTICLE

A comparative study of ultrasound-guided versus fluoroscopy-guided transforaminal epidural steroid injection in lumbar radiculopathy: Efficacy, safety, and radiation exposure.	1607-1612
Umer Farooq, Adeel Shahid, Leena Aziz, Shahid Rasool Dar, Adnan Umer, Waseem Younis	
Correlation of national early warning score 2 with outcomes of acute exacerbation of chronic obstructive pulmonary disease.	1613-1618
Warda Ajmal, Muhammad Ashraf, Shanzay Haider	
The Impact of obesity in patients undergoing laparoscopic cholecystectomy.	1619-1626
Saad Yaqub, Tanvir Ahmad, Syeda Samina Ashfaq, Muhammad Ans	
Surgical Site Infection (SSI) with and without suprafascial intrawound application of vancomycin powder in instrumented posterior spinal fusion.	1627-1633
Shamsu Rahman, Muhammad Abdur Rehman, Inamullah Asghar, Taimoor Anwar, Anum Wahab, Nazar Hussain	
Outcome of mechanical thrombectomy for acute ischemic stroke and risk factors associated with mortality: A single center experience from Pakistan.	1634-1640
Mehreen Shamim, Mubashir Hussain, Nisha Modi, Irfan Amjad Lutfi	
Metronomic Capecitabine in Metastatic Triple negative breast cancer.	1641-1646
Asima Luqman, Sarah Khan	
Comparison of stress response between conventional laryngoscopy versus video laryngoscopy in patients undergoing general anesthesia.	1647-1652
Omair Khawar, Khaleel Ahmad, Waqar Ahmad, Hassan Mujtaba	
Comparison of postoperative pain with and without rectus sheath block in patients undergoing midline laparotomy.	1653-1658
Isha Nasar, Muhammad Saleem Iqbal, Safwan Ahmad Khan, Muhammad Zeshan Zaib, Sadia Riaz, Muhammad Faisal Bilal Lodhi	
Frequency and risk factors of Surgical Site Infections following neurosurgical procedures.	1659-1665
Malik Liaqat Ali Jalal, Syed Muhammad Ahmed, Zermima Tanvir	
Between biochemical pathways and physiological dysfunction in major depressive disorder: A systematic review.	1666-1672
Romana Mehwish, Abida Jaffar, Rabia Siddiqui, Amna Riaz, Aina Khurshid, Maryam Mastoor	
Efficacy of stone cone in ureteroscopic pneumatic lithoclast for lower ureteric stone.	1673-1679
Muhammad Salman Arshad, Shabbir Hussain Chaudhry, Fahad Mehmood Khokar	
Comparison of efficacy of Rifaximin and Lactulose plus Zinc versus Rifaximin and lactulose alone in patients with hepatic encephalopathy at a tertiary care hospital.	1680-1686
Tauqeer Hussain, Javed Iqbal, Nauman Sarwar, Muhammad Saeed4, Khatija	
Efficacy of melatonin as an adjunct to first-line therapy in epileptic patients.	1687-1692
Safiullah, Sadia Riaz	
Relationship between Vitamin D3 deficiency and sternebrae fusion age in young females: A cross-sectional study.	1693-1698
Fatima Farooq, Rafea Tafweez	
Factors associated with needle-stick injuries among healthcare workers in tertiary care hospital: A cross-sectional analytical study.	1699-1705
Seema Yasmeen, Rabia Abbas, Ali Altaf, Ayesha Muzaffar, Saba Muazzam, Hafiza Naima Anwar	
Frequency of Atrial fibrillation in patients with stroke presenting to tertiary care hospital.	1706-1711
Jawad ur Rahman, Attique ur Rehman Jehangiri, Muhammad Usman Sharif, Naveed Ahmed, Muhammad Hamza, Awais Ullah	

Association of hemoglobin and red cell distribution width ratio with upper gastrointestinal bleeding. Isha Latif, Hayat Ullah, Rimsha Shakeel	1712-1716
Estimation of risk of nephrogenic systemic fibrosis in patients of stage 3 to 5 chronic Kidney Disease undergoing Magnetic Resonance Imaging with injectable gadobutrol. Muhammad Zahid, Javaid Asghar, Furqan Ahmad, Adeel Asghar, Ahmad Raza Khan, Atiqah Ijaz	1717-1723
Awareness of Cardiovascular, Renal, and Cerebrovascular complications of uncontrolled hypertension among hypertensive patients in a Tertiary Care Hospital of Abbottabad. Sayyed Anas Shah, Mohammad Javed, Abid Ali, Yasir Khan	1724-1729
Role of Lung Ultrasound (LU) in early diagnosis of Interstitial Lung Disease (ILD) in patients with Rheumatoid Arthritis (RA). Mahpara Munir, Khalid Parvez, Muhammad Ammar Khan, Salman Azhar	1730-1734
Fetal and maternal outcome following implementation of Labour Care Guide. Noor Ul Ain Fatima, Abeera Ali, Tehreem Fatima, Shehla Tabassum, Faiza Irshad	1735-1745
Frequency of female sexual dysfunction in Depression. Sidra Rasheed, Imtiaz Ahmad Dogar, Iqra Ain Ali, Hafiza Aneeqa, Sadaf Ghulam Jelani	1746-1751
Placenta previa and Placenta Accreta Spectrum (PAS): Obstetric risk factors and fetomaternal outcome at a Tertiary Care Hospital in Sialkot. Summera Aslam, Nosheen Bano, Faizan Kashif, Hina Javed, Aqsa Hussain, Tayyaba Iftikhar, Neeta Maheshwary, Dilshad Hussain	1752-1758
Frequency of skin disorders associated with pregnancy at a tertiary care hospital of Karachi: A cross sectional study. Shabnam Nadeem, Amna Begum, Sumaira Mehmood, Atia Kazim, Kishwer Naz, Afifa Inayat	1759-1765
Frequency of various factors leading to peripartum hysterectomy. Maryam Rehman, Huma Ahmed	1766-1773
Risk factors of iron deficiency anemia among pregnant women in tertiary care hospital. Hafsa Nazir Malik, Summaira Hassan, Sadia Abbasi, Areej Fatima, Syed Muhammad Rooh Ul Ain Naqi Bukhari, Ayesha Kausar	1774-1780
Ventilator associated pneumonia and its outcome in children admitted at pediatric intensive care unit of a tertiary care hospital. Mehak Siddiquie, Muhammad Zahid Farooq, Asim Khurshid	1781-1786
Childhood trauma and its impact on Borderline Personality Disorder development and symptom severity: A study at Allama Iqbal Teaching Hospital, Dera Ghazi Khan. Hafiz Shafique Ahmad, Mujeebullah Khan Doutani, Adeena Rasheed	1787-1790
Comparison of inhaler corticosteroids and oral montelukast in children with reactive airways disease. Faiqa Shah, Afzal Khan, Fatima Riaz, Maria Khalid, Seema Nawaz	1791-1797
Empirical antibiotics therapy used for typhoid fever in pediatrics presenting in a tertiary care hospital. Zara Shafqat, Abid Rafiq Chaudhry, Rashid Ayub	1798-1801
Risk factors of asymptomatic vertebral compression fractures in patients with ankylosing spondylitis presenting for spine evaluation. Muhammad Rizwan, Syed Zahid Hussain Shah, Muhammad Irshad, Muhammad Aamir	1802-1807
SOX10 immunohistochemical stain in differential diagnosis of posterior fossa tumors, a single centered study. Ayesha Iftikhar, Sajid Mushtaq, Asif Loya, Usman Hassan, Hina Maqbool, Shaarif Bashir	1808-1814
Benefits and Barriers of Vertically Integrated Learning: Exploring Medical Students' Perspectives - A Qualitative Study From Larkana, Pakistan. Preh Ayub Abro, Ayesha Junaid, Junaid Sarfraz Khan	1815-1819
Evaluation of the educational environment for medical interns at Tertiary Care Hospital in Peshawar, Using the Postgraduate Hospital Educational Environment Measure (PHEEM): A cross-sectional study. Muhammad Hamza, Daniyal Ahmed, Ahmad Wali Khan, Hadiqa Murad, Zulfiqar Khan, Sarwat Jahan	1820-1829
Clinical and laboratory differences between early- and late-onset systemic sclerosis: A comparative analytical study. Madiha Noor, Tehreem Sultana Hamid, Shahida Perveen, Haris Gul, Saba Samreen, Babur Salim	1830-1837

CASE REPORT

Ewing's Sarcoma of the sinonasal tract: Case Report. Waqas Javaid, Maria Asif, Mehak Ahmad, Ayesha Fayyaz, Aamna Durrani, Syed Muhammad Waqas	1838-1840
